

**AZTECA**  
MEXICAN RESTAURANTS

October 16, 2008

To Sonitrol Pacific:

Thank you for securing Azteca Mexican Restaurant on Eastlake. It is great to do business with a company that stands behind their product. You kept the promises you made me and I know I have the best security.

Yesterday my restaurant was broken into. The burglar grabbed seven bottles of liquor and tore apart my office looking for cash. Sonitrol Pacific's operators immediately dispatched the Seattle Police department on a verified alarm. The police responded in only four minutes and arrested the guy. Thanks to Sonitrol Pacific, I did not experience a loss and justice was served. I am confident my business is secure when I turn on my system at night. I highly recommend Sonitrol Pacific to anyone who wants a security company that delivers real value and conducts business with integrity.

Sincerely,
