To The Sonitrol Pacific Team:

On December 22nd, someone tried to break into the Check Masters in Everett. The store's audio security system activated, allowing the operator on duty at Sonitrol Pacific to hear what was happening and dispatch the Everett Police Department with a verified alarm.

The fast response by Sonitrol Pacific and the police lead to the apprehension of one of the burglars as he was fleeing the scene. Sonitrol Pacific is the only security company I've experienced that has detected and caught the bad guy before he even got into our store. No entry was gained, nothing was stolen, and we didn't have to close the store to replace merchandise or make repairs.

Someone from Sonitrol Pacific always contacts me after any incident at my locations. Their attention to detail lets me focus on other things. I know I can trust them to protect my stores and I highly recommend Sonitrol Pacific to any business owner.

Thank you,

Amy Davis
