

OPEN DOOR BAPTIST CHURCH

"Bringing families from spiritual infancy to spiritual maturity"

December 09, 2008

To Whom It May Concern:

On December 7, someone broke into Open Door Baptist Church. Our security system activated when the person opened the sanctuary door and Sonitrol Pacific's Operator acted quickly.

Thanks to their fast response, the police caught the guy inside our sanctuary. Nothing was damaged or taken because of Sonitrol Pacific.

Someone from Sonitrol Pacific meets with me regularly to make sure our information is up-to-date and our security system is working correctly. Their attention to detail let's me focus on other things. I know I can trust them to protect our church and I highly recommend Sonitrol Pacific to any organization or business owner.

Thank you,

Kurt Kennedy
Assistant Pastor
Open Door Baptist Church
